

POWER Chokes-R-Series

R series chokes For Customer Design Use

Features

- 1.Compact size high performance low cost and with large current loads.
- 2.Wound on iron power material triodes
- 3.Cad be customized and available in various sizes

Applications

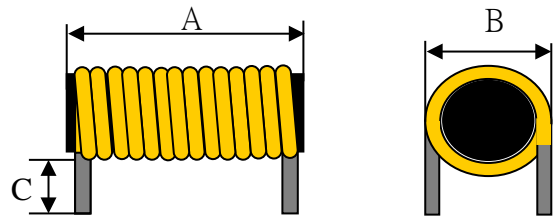

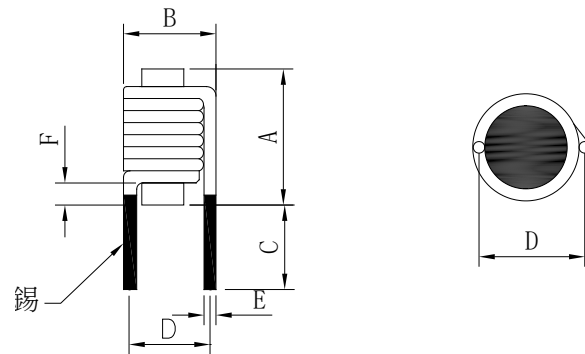

Power supply and power switching,TV game,Monitor,Car recharger,
Speaker crossover networks.

Shapes and Dimensions (mm)

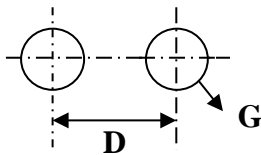

Product Identification

R 0520P- 100K - PF

- R: SERIES NAME
- 0520: DIMENSION SIZE CODE
- P: COIL TYPE
- 100: INDUCTANCE CODE.
- K: TOLERANCE, J=5% K=10% M=20%.

Recommended PCB layout (mm)

SERIES	B	
R03XX	7.5MAX	
R04XX	9.5MAX	
R05XX	11.0MAX	
R06XX	12.0MAX	
Customized
